April 2021

Principal's Message

Well, spring break has come and gone and we are definitely well into spring. I hope everyone enjoyed their Spring Break and took some time to rejuvenate and spend some quality time with family. Although it feels a bit warmer please ensure students are prepared for both warmer and cooler weather!

As we get closer to the end of the year, we will be starting to consider staffing and class configurations for next year. Kindergarten registration has taken place and we are beginning to get a sense of numbers for next year. In order to give the Board Office, the most accurate information available for next year's enrolment and to plan for next year as efficiently as possible, I am asking parents to please let me know if your child/children intend on attending Silverthorne Elementary School next year or if there is a possible change for the fall. Please just let your child's teacher or Mrs. Clee know.

As spring unfolds, please check backpacks for notices etc. This is the time of year that teachers try to get out and about a little more and the expectation is that students will get permission forms in prior to the day of the event. Also, please send a spare set of socks and pants for your child while we wade through puddle season☺. Splash pants and rubber boots are a great help as well.

Book Fair

As you are aware, Mrs. Margerm has organized a virtual Book Fair that has been running for the last week. The Book Fair will remain open until April 9th. The link is on our Facebook page.

Student Led Conferences

Student led conferences take place Wednesday April 14 and Thursday April 15th. Teachers will be in touch shortly to let you know what this will look like for their particular class. Unfortunately, due to

the pandemic, Student Led Conferences will have to be adjusted for everyone's safety. We will not be inviting parents and guardians into the school at this time. It is hard to believe that it has been a whole year since we have seen adult faces in our buildings! We certainly miss seeing you!

New Public Health Guidelines for K-12 Schools

Effective immediately, all students in Grades 4 to 12 are required to wear a mask indoors in schools and on school buses - both within and outside of their learning group. Students in Grades K to 3 are encouraged to wear a mask indoors in schools and on school buses. Changes have also included revised guidance for staff only spaces, student transportation on buses, personal protective equipment, P.E. classes, music classes, school sports and some fine arts programs.

Please ensure you are performing daily health checks daily with your children before sending them off to school. This link will bring you to website and there is an option of downloading app if you prefer.

PAC News

The next PAC meeting will take place April 13, 2021 at 7PM. Please email Amanda Tobin at amandajtobin@gmail.com if you'd like to attend. Hope to see you there. It will be a Zoom meeting.

Dates to Note:

April 14th: Dismissal at 2PM
April 15th: Dismissal at 12PM (noon)
April 23rd: NID – School Closed

Yours Sincerely,

Bev Forster
Principal, Silverthorne Elementary School
